

Learn to Drift Dive on the Sunfish
and you too can,
“Dive the Fun and Lazy Way”

Where: around Anacapa Island aboard the Sunfish dive boat

When: Feb. 21st, April 19th, July 12th, Sept. 19th, and Oct. 31st

Time: boarding 6:00-6:30am, departs at 7:00am and back about 4:00pm

Cost: \$165.00, includes the boat trip with food and air (limited to 16), instruction by qualified NAUI instructor (Mickey DeFazio), drift dive handout with test, surface signal tube (Trident Big Stick), Sunfish drift diving card (NAUI card available for added cost) and a spot marked on your Sunfish frequent dive card. **Call (805) 204-0977 to make your reservation.**

Perquisite: Open water diver and over 12 years old

With a day of instruction and practice, you too can become a drift diver. Drift diving is truly **“Diving the fun and lazy way”**. Our drift diving instructor is Mickey Defazio. Mickey has been a NAUI instructor for many years and has been teaching the advanced class at Ventura College for the last 20 years and where the drift class has been taught in all the advanced classes. Mickey has owned and operated 2 local charter boats and a local dive shop. Mickey has perfected live boat drift diving with thousands of drift dives around the Channel Islands. This class is for all certified divers. Drift diving allows you to use the currents for a more relaxing dive and a chance to cover significantly more ground and is especially useful when hunting. There is no need to worry about “where’s the boat”.

With your Sunfish drift diving card you will be able to go on other Sunfish drift dive only trips. The Sunfish is the only dive boat to offer drift diving classes and drift dive only trips. Check our 2009 schedule. Come dive on the Sunfish and
